Please find below a communication from the **EXAMINER** in charge of this application  
Commissioner of Patents

The reply filed on June 21, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The amendment does not respond to all issues noted in the prior Office Action. At page 3 of the restriction requirement mailed 12/21/05, it was noted that Claim 65 was directed to "the method of Claim 64" though Claim 64 was directed to a composition not a method. Claim 65 was included in Group V under the assumption that it was intended to be directed to the composition. However, a corrective amendment is required to address the issue. Appropriate correction is required.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a)**. In no case may an applicant extend the period for response beyond the six month statutory period. Direct the response to the undersigned.
